**Abuse Hurts is offering a rewarding team building experience for your business that can be adapted to meet your specific needs or requirements through their Delivering Hope Care Pack initiative.**

Thanks to Kits for a Cause, Abuse Hurts is able to offer their clients brand new essential items through a variety of Care Pack options. Based on the level of engagement you are able to provide, you can:

- Purchase the number of Care Pack items and have them shipped to your place of business so your staff can personally pack or pack and ship/deliver to Abuse Hurts
- Purchase pre-packed Care Packs of your choice to be delivered to your business so that your staff can personally deliver the Care Packs to Abuse Hurts.
- Your company can also select from the different groups of clients we serve (eg- women, children, First Nations, families, survivors of trauma, etc.)
- Your business can by-pass the employee involvement aspect and simply support Abuse Hurts by purchasing a number of Care Packs according to your budget to be shipped to Abuse Hurts for distribution.

**Products offered through this program include** personal care/hygiene items, basic essential clothing such as socks, underwear, hats, gloves, scarves, blankets, sleeping bags, and so much more.
